APPROVING ABANDONMENT OF THE FOURTH STREET OVERCROSSING PROJECT.

WHEREAS, The City contemplated construction of a grade separation to carry Fourth Street over the Southern Pacific Transportation Company railroad tracks between Brannan Street and Berry Street and thereby eliminate a hazardous traffic situation; and

WHEREAS, The Chief Administrative Officer and the Director of Public Works pursuant to Resolution No. 332-70 entered into an agreement for the construction of said overcrossing by the State Division of Highways in conjunction with current freeway construction on Interstate Route 280; and

WHEREAS, The State Public Utilities Commission subsequent to application by the City and pursuant to Section 189 of the Streets and Highways Code assigned a Number One priority to said overcrossing project on the Statewide 1971 list of grade separation projects; and

WHEREAS, The State and City expended certain funds for rights of way and design engineering predicated on the mutual acceptance of the necessity of said overcrossing by State, City and Southern Pacific Transportation Company; and

WHEREAS, The City and the Southern Pacific Transportation Company had verbally concurred on the final draft of an agreement which included an adjudication of costs as set forth in Section 1202.5 of the Public Utilities Code; and

WHEREAS, Immediately subsequent to verbal agreement between Railroad and City the inauguration of the National Railway Passenger Act caused a sudden re-evaluation of train operations resulting in the possibility of moving the San Francisco rail passenger terminal facility just westerly of Fourth Street thereby negating the need of an overcrossing; and

WHEREAS, A thorough investigation by the Department of Public Works and the Department of City Planning has disclosed the alternate proposal to be a superior solution esthetically, with certain operational and economic advantages and all in conformity with the Master Plan; now, therefore, be it

RESOLVED, That the Chief Administrative Officer and the Director of Public Works are hereby authorized and requested to negotiate an equitable financial settlement with the State and the Southern Pacific Transportation Company all pursuant to the abandonment of the Fourth Street Overcrossing Project; and, be it

FURTHER RESOLVED, That it is the intention of this Board of Supervisors to authorize the abandonment of the Fourth Street Grade Separation Project contingent upon an acceptable financial settlement and agreement by the Southern Pacific Transportation Company to provide a new rail passenger terminal at Fourth and Townsend Streets and to remove the passenger yard tracks between the existing Third Street depot and the proposed new Fourth Street terminal building all in a manner satisfactory to the Department of Public Works and the Department of City Planning; and, be it

FURTHER RESOLVED, That this Board of Supervisors does request the Chief Administrative Officer and the Director of Public Works to report back to this Board at the culmination of said negotiations in order to ascertain an acceptable financial settlement.

1 REQUESTING MAYOR TO PREVAIL UPON POLICE COMMISSION TO REVIEW DECISION
2 TO CLOSE THE PARK AND SOUTHEAST POLICE STATIONS.

3
4 WHEREAS, The Police Commission has announced plans for the
5 early closing of Park and Southeast Police Stations, plans which have
6 generated vigorous and widespread protests from residents and
7 representatives of the neighborhoods in which these Stations are
8 located; and

9 WHEREAS, The Police Commission has predicted its decision
10 to close the Stations on reasons associated with alleged greater
11 safety for policemen, saving of money for the City, more street
12 manpower on patrol, and increased police efficiency; and
13 WHEREAS, The cited reasons have not been proven to the
14 satisfaction of the directly affected public, and neighborhood protests
15 which continue to be expressed against the controversial shutdowns
16 demand at least a detailed review of the plans with appropriate
17 emphasis on the needs and desires of the public; and

18 WHEREAS, The skepticism of the public with respect to the
19 alleged advantages of the proposed closings are reiterated by
20 representatives of the San Francisco Police Officers Association who
21 can be expected to possess first-hand knowledge of the need for con-
22 tinuation of the two Police Stations in question; and

4 demand made for review of the Police Commission's decision to
5 close the Park and Southeast Police Stations, do hereby call upon

3 LEGISLATION AND REGULATIONS.

4

4 WHEREAS, The necessity for election campaign reform is now
5 beyond question due to the excessive cost of campaigning for public

7 electronic media, and due to the need for more stringent require-
8 ments governing disclosure and reporting of campaign contributions;

19 demonstrated concern regarding election campaign reform by recently
20 passing legislation designed to promote fair practices in the conduct
21 of election campaigns for federal elective offices, and for other

2 AUTHORIZE LOCAL LEGISLATIVE BODIES TO ENACT LEGISLATION REQUIRING
3 EMPLOYEES OF SCHOOL DISTRICTS TO BE OR BECOME RESIDENTS OF THE
4 POLITICAL SUBDIVISION IN WHICH THEY ARE EMPLOYED.

5
6 WHEREAS, The constant controversy which surrounds the problem
7 of whether or not to require employees of one of San Francisco's
8 political subdivisions to live within the City and County of San Francisco has developed a number of persuasive arguments on each side,
9 and as a result has allowed a considerable number of such employees
10 to maintain residence and make the bulk of their ordinary expenditures
11 in communities other than this City in which they derive their livelihoods;
12 and

13 WHEREAS, A large group of public employees who are the
14 beneficiaries of daily employment within the City and County, for the
15 people of the City and County, are the more than ten thousand teachers,
16 administrators and non-certificated personnel of the San Francisco
17 Unified School District, thousands of whom reside outside San Francisco;
18 and

19 WHEREAS, Recently enacted ordinances of the City and County have
20 required its employees to establish and maintain residence in the City,
21 and it would be consistent, as well as economically beneficial, for
22 employees of the School District to be required to maintain residence
23 in the City, thus reducing the high rate of unemployment and making
24 more substantial contributions to civic affairs; and

25 WHEREAS, It would appear to be incumbent upon all political
26 entities within San Francisco to adopt whatever expedients are
27 necessary in order to retain its so-called middle class in the City
28 and halt the flight to the suburbs, while at the same time

1 providing for the welfare poor; and

3 are compelling that they should be filled by people who are willing to
4 live in San Francisco, including citizens of minority backgrounds who
5 might otherwise be forced to join the thousands of others now on welfare;
